Thanks!

Make sure you leave room for our fabulous house-made desserts or an after dinner drink from the dessert & beverage menu on your table.

We thank you for joining our family here at White Lake Beach Resort as we celebrate our 92nd year in business! Whether you are here vacationing for a week or just visiting for a meal, we appreciate your business and support.

We're proud to bring back out Italian-centered menu, after the fantastic reception you, our valued guests, have given it the last four years. We've got a few new entrees for you to try, as well as some old favorites.

Brad Hebbe, our executive chef, has a long history with Italian cuisine, from The Inn at Cedar Crossing in Sturgeon Bay, the Edgewater Hotel in Madison, and the Pfister Hotel in Milwaukee, just to mention a few...and you'll love his fresh take on Italian-American fare.

And once again, Sarah has scoured the beverage purveyors to find the tastiest, most affordable wines to share with you. All that tasting is rough, but someone has to do it! Growing up in California's wine country, Sarah has always loved approachable, drinkable wines—we approach our wine offerings with food pairings and value in mind. You'll find all of our wines are priced at \$25/bottle or less, and all are available by the glass or by the bottle—a blend of affordable quality we feel is right in line with our everyday gourmet Italian and Italian-American menu.

Our menu represents a meeting of our experiences here in Wisconsin, with Italian cuisine here and abroad, and our passion for great food and wine that the whole family can enjoy. We always keep our supper-club roots close to our hearts—we're still be serving up your old favorites, frying Fish on Friday and roasting Duck on Saturdays. We are, after all, still in Wisconsin.

But we hope to bring you a taste of places a little further away—whether that be Chicago or Rome. We think it's a perfect combination for our family and friends here at White Lake. We hope you love it too!
